“ David,my wonderful,loving brother,words cannot explain the pain I have in my heart right now. When you passed you took a part of me with you. I don't think that I will ever be the same again. I'm so sorry that I am not able to be there to tell you goodbye. God must have needed you,for him to take you from us. Now we all know the name of our guardian angel,and his name shall be David, I'll love you forever and always.

“ My greatest sympathy to the family. I've only known Jennifer for over 3 years and I take care of her 2 girls. There were times Grandpa would come pick them up and they were so happy to see him and he was so joyful to see them. The memories are what you'll hold dear to your hearts. So sorry, Sherrie
