“ *We have known Dolores and her family since the mid '70's when we were next-door neighbors. She was then, and is still today, my best friend whom I love dearly. One of those friends who loves you in spite of yourself! Our kids grew up with hers, and David and our daughter, Kim, were only a couple of years apart in age. Kathy and our Terri are about the same age, and our Rick and Dolores' Heather are close in age. Dolores' Kim was the "matriarch" of this bunch!! We babysat for eachother and took turns keeping an eye on our teenagers when they got to that stage--often not a small task, as they were all "full of it" but good kids. So they are our family, too, and we are so deeply saddened by David's death. He was a good man, and loved his family--that, after all, is totally where it's at. We have so many great memories of the kids and the good times we shared--those memories will never be lost. There are really no words to express our sorrow, but we will wrap our love around Dolores and Jack and Fay, and all of their family and ask for God's blessings on all of them. Love, Sandy & Dick*

“ My thoughts and prayers are with you and your family during this difficult time. David was a great friend, I have many fond memories of him from my high school and college days. His funny laugh and outgoing spirits made him a joy to be around. Although we did not keep in close touch the last ten years, I know we could always pick up our friendship where it left off. God bless you David, you will be in our hearts forever and never be forgotten!

“ My beloved brother is at peace. There is nothing that can fill the void left by such a kind, caring, courageous person. He was loved by all who knew him. I want to thank his adoring wife, Fay. She has been an angel. She cared for David with a kind of love and respect I've never known. She is and will always be my sister. I'm very blessed to have such a wonderful family. I love you all.
