“ Mr. Mason was one of the kindest people I have ever met. Living next to a large family he demonstrated great patience and tolerance! He was especially kind to all the children in the neighborhood and I have fond memories of riding in the laundry truck with my little brother and him. I know I can speak for my entire family when I say we all loved Mr. Mason. I am sure he is in heaven.

“ Ginny My Mom and I were so sorry to hear about Uncle David. We only have very loving memories of him and Aunt Pat. He was very special to all of us. I have a set of little toy soliders he gave me for my son and I put them up every Christmas. He got them from the bank. Take care

“ Dear Ginny and Family, Our deepest sympathies to you and your family. I loved your Dad--he was always the kindest and dearest man to me and to everyone else whose lives he touched. Some people come and go in your life and their influence is barely felt--others, like your Dad, have a deeper, more profound affect. He, along with your Mom, helped start my spiritual life in the church, and later he taught me how to be a better man and husband as I watched him lovingly attend to your Mom. It is his legacy of love that I hope to pass along to everyone I know. May God the Comforter be with you and your family--love, Snuff (as Dave used to call me)

“ To: Mrs. Virginia (Ginny) M. Jones and family. Our prayers are with Dave and Pat and you and your family. It's difficult to think of Dave as passing on, because he never seemed to age. He looked the same 50 years ago. Our memories will be of a smiling, gracious friend. Always in our thoughts and prayers... Robert L. & Mary Anne Evans, Sr. First Baptist Church, Wilkes-Barre, PA

“ A more loving husband and father there could never be. My life and the lives of my children Jonathan and Rachel were truly blessed by the man they called D. I greive with my children and only wish we could say goodbye. He may be gone but he will never be forgotten. Cuttting down a christmas tree, picking cherrys and the fun overnights--we are so lucky to have such wonderful memories.
