“ *Donna, Misty & Aaron*

I was so saddened to hear of David's passing. I sit here thinking about all of the times we would enjoy the beach together, especially when the kids were just toddlers. I remember my mother getting so excited, because David would be bringing her coneys (her NY hot dogs). May your many wonderful memories help to ease your pain. My thoughts and prayers are with you now.

“ *Very sad to hear of Dave's passing. He was a great guy and Sandy and I enjoyed knowing him. I got to work with his dad at Camillus Elementary in the 70's and then with Dave at CMS until we both retired. We got together at the flea market on Sundays for many years of great stories. He was knowledgeable on a variety of subjects and was always looking for the next deal! He will be missed.*

“ *As I opened up Camillus Middle School this morning, could not help thinking about Dave and the thousands off times he traversed these halls performing the same rituals. Between the school and the flea market, Dave did his share of work.*

“ Truly a gentle soul. A man of courage, caring and love. His heart was as big as his smile. Always thinking of family and friends before himself. A great story teller of the adventures in his lifetime, he will be missed. So thankful we had time with him before his passing. God give peace and comfort to Donna, the children and extended family and friends.

“ I remember him from when i attended CMS.He was a hard working man. Years later, I would see him at our neighborhood garage sales at my parents house and when i bought my house in Camillus, he would go to our big neighborhood garage sale in June. Always a smile on his face and many stories to tell. I remember spending quite a bit of time talking to him, he was easy to listen to and had great stories. Rest in Peace Mr. Smith.
