“ To The Swenson Family: David was one of a kind. He knew how to light up a room when entering and bring joy to others in his wake. He now lights up God's house but will be missed by those of us whose lives he touched. David was a person who had the gift of laughter and joy. Our blessings to you his family and know that he is in a better place now. Karin and Mike Dehmer

“ Sue and family, Just wanted to let you know that when I think of David, it will be that big hearty laugh, friendly smile and the twinkle in his eye. “ Our thoughts and prayers are for the Swenson family. I remember David for his high energy level and sence of humor. Having lived across the street from him make me feel I knew him pretty well. We use to play jokes on each other almost every night when it would get dark. My favorite is when Emily and I wrapped his car in plastic wrap. The next morning he was trying to get it all off before anyone could see it. I got up one morning and had 50 newspapers in my front yard from where he had saved over a period of time. I could write a book on all the things we did to each other. Lots of good memories. He will be missed by many. Tori and Evan, you had a Dad that loved y'all very much. Our best to all..... “ To all our family, Although David left us far too soon, he left an imprint in our lives and in our hearts. May the courage and strength he had help ease our sorrow. Let's all remember the good times we shared together and continue to do so for David. He was a wonderful son, brother, cousin, nephew and most of all a loving and caring father. Even though there are many miles between us, in our hearts we are there with all of you. Our love to all.. Aunt Sheila, Lesley, Dave, Nicholas and Hillary
