

David E. Vermilya

October 1, 1948 - March 24, 2017

David E. Vermilya, 68, of Seneca River, Baldwinsville passed away suddenly after a short illness. Born in McGraw, NY to Robert and Margaret Vermilya, David grew up in Manlius NY attending the First Baptist Church.

He traveled widely across the country with his family, from New York State to California, falling in love with national parks and people from all kinds of diverse backgrounds in order to maintain relationships with his parents' extended family on both coasts. He became best friends with his younger sister Lois early in life, the two of them maintaining a very special relationship throughout adulthood until today. The Vermilya family has always been known for welcoming hospitality, generosity, a true love of people, respect for the earth, and devotion to civic service.

He is a graduate of Fayetteville-Manlius High School in 1966 and Hobart College in 1970. He took a position on March 7, 1971 at Town Shop Youth Center as a youth worker extraordinaire. He was consistently patient, respectful, and warm to all teens. He often said "it is an honor and privilege to serve the youth of Camillus." He received numerous awards and recognitions over his career. In 2000 he and Cheryl received the Syracuse Post Standard Achievement Award.

He enjoyed hiking, bird watching, kayaking, and cross-country skiing. He was

a practical joker, photographer, lover of music and festivals, and true buddy with Smokey Bear his Maine Coon Cat. He also loved homemade food from Cheryl which he never forgot to thank her for.

Survived by his wife Cheryl, his college sweetheart he married in their college chapel in 1970; a sister who was his soul-mate Lois Vermilya and husband Leonard Weslowski; a niece Alana Bryant and husband Derek Bryant; a nephew Owen Weslowski who will marry his beloved Lorri Lanning on June 3, 2017; and a sister-in-law L. Brooke Johnson.

Town Shop

A Shrine to the children,
open arms welcoming all inside
to a place of relaxation,
Not to worry of the rising tide.
The clouds recede overhead

and the rain ceases.
The roof protects all that is said
Everything anyone release.
No secrets kept,
But promises held true
A place for only honesty,
of friendships that grow and bloom.

POEM BY TOWN SHOP PARTICIPANT

AM I THERE...
IN THE DEPTHS OF THESE BOOKS
THAT OPEN AND SEEP OUT OCEANS
OF WORDS IN THE FORM OF FACES
THAT ARE RESERVED OVER TIME
MOTIONLESS YET THEY BECKON YOU
TO OPEN UP YOUR MIND AND TRACE
THE TRAILS THAT LEAD TO THIS MOMENT
MEMORY LANE...
WHOEVER KNEW IT WOULD COME IN
THE FORM OF A PILE ...
STACKS OF BOOKS THAT REACH THROUGH
THEIR COVER AND FLOOD YOU
WITH THE CLEANING WATERS
THAT WASH AWAY THE LOSS
TO REMIND YOU ...

WE STILL REMAIN HERE
WITHIN THE PILE, WHICH,
CLIMBS THE WALLS LIKE
VINES AND SEEPS INTO THE WOOD
THEN DRIPS FROM THE CEILING
TO SATURATE THE FLOORS
AND FIL THE SOULS OF THOSE TO COME ...
WE ... AND AS WE DO WE CREATE ... THE MEMORIES
WHICH YOU KEEP AND STORE AWAY ... AM I THERE? ... I NEVER LEFT.

“ *Housing at least 400 teens during a 22-year period may be the most rewarding experience I'll ever have in my life. David put in at least a 6-hour-day's drive to arrive at my house for the Falcon Ridge Folk Festival.*

A caravan of youth was in tow. How expansive and nurturing it was for these teens to travel that distance and be exposed to some of the best folk music in our country and beyond! At these 3- to 4-day forays folks connected and shared an enriching comradery. Those who brushed shoulders with David were guided toward a more gentle, loving, and compassionate way of being. Our views of the world were broadened and we were encouraged to be true to our selves. How I have witnessed this many times with the teens and myself. I have much gratitude for Cheryl and David from the bottom of my heart!

Town Shop teens: Thank you so much for your enthusiastic energy, insights, openness, great manners, helpful deeds around my house. I so loved your visits and so benefited from them. My heart goes out to you for your loss with David's passing. The world is not the same without him. Much love, Laurel Tewes

“ Cheryl, my deepest sympathy goes out to you, growing up in the village of Camillus, I was at the Townshop all the time, you and David reached out to all of us village kids and poured your heart and soul into giving back to the community. I will always remember the words of wisdom David and yourself taught everyone about life., I had soo much fun going to Filmore Glenn Hiking and gosh we went some where camping, I just can"t remember where that was now, but had tons of fun. My days of the Townshop brought me much happiness and very fond memories. Back in the day I hung out with Mike & nanci Parker, Sue Degnan, Sue & Leslie Farrington, The Dirrados, Mike O'hara, Tom & Cindy Jacobsen, Patty Orcutt you know the crew. I remember all the softball games, playing pool, cards, David will always be remembered for his kind soul and Love for people, My brother Patrick also hung out at the Townshop in his day, He always Loved your company as well. It is with great sadness that my brother Pat passed away 4 days before Dave did on March 20th, 2017 I just know the two of them are talking about the good old days now. Much Love to you Cheryl, and Thankyou for sharing David and your life with all of us. xoxoxo Brenda (Cushman) Casson

“ *This is Michael Murphy. My brother Doug and I are cousins of Lois and David and played together many times in Pasadena. My mother, Lorna Murphy, nee Staat, was a niece of Margaret Vermilya, David's mother. We heard about what Lois and David were up to mostly through Lorna's contacts with Mickey over the years. We are so saddened to hear of David's passing. I recently retired so that we could devote some time to visiting our relatives on the mainland that we had not seen for so many years. I am sorry we couldn't make it to New York to see David again! We are inspired by David's civic dedication and the many selfless years he spent on behalf of his beloved youth group. In his honor we are making a dedication to it! We are proud of him and offer our condolences to his wife Cheryl, his sister, Lois, her husband, Lenny, and to the broader family he loved so well! Thank you, David, for all you have meant to us! Rest In Peace!*

“ It was such a short period of time I could join Dave's and Cheryl's company still has given me so much. Much love, care new perspective of life, self knowing that accompanied me since then. His care and personality, willingness affected lives inside and outside the USA as well. Me surely. Took it with me home shared if I could wherever life took me. I consider it a present of life, God. I carry the pieces of mindset the memories, the feeling of clean air, nature, friendship. Thank you for it. It was not always easy for sure. doing such a work and life such a life. I was so happy for the posts we shared, exchanged during the years and felt a bit closer, still connected more than the strong string of remembering. I was thankful for it. You could make a year worth with one little mail filled with news from you and Town Shop life, programme even I had no chance to join any time soon at all. I was happy to receive also to remember and share the memories and the mindset. I was hoping to meet again in this life. Now I only can be happy we met. May your mortal frame rest in peace and soul find eternal bliss. My condolences to you dear loving Cheryl and to you all who were family and friend or knew him. May you find balance and peace as soon as possible. Melinda Császár from Hungary

“ It is impossible to fully grasp David's impact on the teens of the Camillus area for over 40 years. He truly was a one of one man. His love and care for everyone was immense. Both he and Cheryl have made such a huge difference in the lives of the young people they encountered. He will never be forgotten. I am saddened by his loss, but also can't help but celebrate his life. I consider myself lucky to have spent time with him.

“ *On behalf of the skateboarding community of Camillus our thoughts and prayers go out Cheryl and David's family. In a town that has been neglectful towards its skateboarding citizens of all ages David found time to say yes to our needs. His willingness to take time to transport skateboarders to local areas like the city of Syracuse skate parks and their Everson Museum to far away areas like Love Park in Philadelphia will always be remembered with great fondness for it was a place and time of great happiness. David gave proof that local governments can and do make the right choice when hiring. As they did over forty years ago when they hired David shortly after he graduated college. Thank you David for allowing our community to grow with you, your college sweetheart Cheryl. Godspeed*

“ *I have had several opportunities to work with Dave through the Camillus Coalition on Substance Abuse, as well as with the Town SHop. He was passionate about the youth of Camillus, and all the pressures that teens face today, He was a father figure, counselor, guide, and most of all a wonderful role model for them as he was a compassionate, kind, and loving person. This world has lost a great person, and heaven is better for his presence.*

“ It's been said, and sung about. David's passing proves that only the good die young. This amazing man, captured the hearts of an entire community. I was there in the beginning, when many neighbors of the Town Shop launched several attempts to shut it down. David and Cheryl met those challenges with kindness, and love. Before long, the Town Shop became a strong, and loved part of the community. David and Cheryl taught all how to be caring, compassionate lovers of life, and what's possible. I was amazed at most of the posts here. They're all true. Nobody has ever had a bad thing to say about David. I am saddened that I just moved back to CNY, and had planned to stop and see David and Cheryl. Now, I write this with tears in my eyes. “ Cheryl, Please accept my heartfelt sympathy. I am sad and in shock. Dave came into my "History of the Sixties" class twice a semester for over twelve years. We shared a love of sixties music, but it was his story telling that had the kids spellbound. He was simply the best story teller I have ever known. And what an incredible gift he had for connecting with teenagers. Some of the students knew him already, of course, but some did not. But he had an amazing way of relating to all. I can't even imagine your pain, but please be comforted in knowing the profound and positive effect Dave had on so many. I will miss him. You are in my thoughts and prayers. Sincerely, Sam Dance

“ Cheryl and family,
I am so very sorry for your loss. Words cannot truly capture the depth of loss we all feel. David was a rare and true spirit, an angel while on earth. His beautiful soul radiated outward and captured anyone who met him. He was genuine- he listened when people spoke to him, then entwined his soul around yours and it became one. His smile, sometime a bit crooked, his silly jokes, his way. He never forgot a face. He valued each and everyone he met and retained his friendships, no matter the time that had passed. Always positive and optimistic. Always that smile to greet you, a hug. The beauty of him. The passionate love for the young adults he guided over and mentored for 46 years. His life was a true testament to his sacrifice to others and he loved every moment of it. I feel blessed to have known him for those 46 years and will miss him greatly. I expect I will never meet another soul that could hold a candle to his goodness again in my lifetime. God speed to you David on your new journey. I know you will be watching over everyone that you cared about so you will not be far away. To the thousands you touched you will never be forgotten. My love to the family always.

“ My Dad & Mom and four youngest brothers & sisters moved to Camillus in 1973 purchasing the old rectory on the main street - just up the hill from the Town Shop. David and Cheryl were household names in my parents home. David had a profound influence on my siblings - Michael, Eileen, Susan & Jerry Degnan. Whenever the older siblings came to visit (which was often) it wasn't uncommon for me to go to the Town Shop with one or all of them or David would stop into our house at 100 Genesse St. David was a true Christian in every sense of the word - he devoted his entire life in service to others. Although I was older than my brothers & sisters I could see immediately how he worked with them, helped them and truly loved them. His early passing puts a strong ache in my heart. The Lord must need him for great things. He was a truly loving and honorable man and my heart and love go out to Cheryl and the remainder of his family.

“ Here is a memory from way back. My mother is living up in Danvers now. When I told her about Dave, she remembered an episode from when we were kids. We were keeping a pet frog for him while he and his family were out of town - a large tropical one of some kind. Somehow it escaped in our basement and we couldn't find it, but several weeks later she was down in the basement doing the laundry and heard a strange sound - it was the frog, behind some things up on a shelf. So Dave got it back after all. That would have been in Manlius, in the very early 60's?
Dave was a great guy back then, and clearly stayed a great guy. Love and blessings to all his family and friends. John Bergstrom

David taught and shared with me about meditation and yoga at a very young age, which set the direction for the rest of my life. I am forever grateful to him . . . to both of you. I can hardly believe he has left his body. He is still with us . . . in our hearts. Yes, I too, would call him a hero, an evolved being of compassion and wisdom who taught by his actions and example of how he lived. David, you will always live in my heart. I have such wonderful memories of my teen years of field trips, concerts, volleyball, cleaning the village streets, and just hanging out at the Town Shop. It's hard to believe in a few months I will turn 60 years old and I walked through the doors of the Town Shop at 16. “ Cheryl, my deepest condolences and heartfelt prayers to you and all those blessed to know and love David. He was a community changer and a life saver; a gentle, humble soul destined to save the lost, hurting and vulnerable in the Camillus and surrounding communities. What an immeasurable loss. ADAPEP won't be the same without you. People often say that "everyone is replaceable"--not true with Dave. There will never again be a man that accomplished what he (and Cheryl) have. Never. Rest easy Dave....

“ I am so, so sorry to hear this, what a loss for the entire Camillus NY community and the Town Shop Center. My heartfelt sympathy to Cheryl and all of the many, MANY friends and family Dave made over his many years of service working with teens. It's been over 20 years now that Dave made arrangements to bring a group of teen to the Falcon Ridge Folk Festival, the never missed a year, many of those teens went on to be part of our festival community, they started their own contra dance series at the Town Shop, they learned to be responsible, caring, interesting and community-minded adults in large large part from Dave & Cheryl. I will miss my yearly correspondence and meetup at Falcon Ridge with him . He left behind a strong legacy in his community, building something fine that will go on hopefully for many, many years.

“ My sincere condolences to the family, especially Cheryl. You both gave our children wonderful times at the Town Shop and the many field trips you offered to them. All this extended into their adulthood when they continued keeping in touch with both of you. Dave's memory will stay alive with all the teens he gave his time, kindness, understanding and generosity to. These memories are definitely a part of my children's lives. My special thanks for your kindness when we lost our precious Andrea to cancer, October 30th, 2001. You are both a part of our family and loved very dearly. Although Dave has moved on to a new life in a Paradise well deserved, he will always remain in the heart of our family wherever we may be. The Morelli Family.....

“ *I am so lucky that my brief fledgling life of crime came to a happy stop in 1986. Shoplifting led to community service with the townshop, which changed my life forever. I had never felt so comfortable with or known anyone like Dave and Cheryl. I have been so fortunate to enjoy their friendship over years, but always felt the same when I was with them, more focused on the now, happy, peaceful. I am devastated. I feel the only way for me to feel ok is to think 'what would Dave do?' My heart is with Cheryl, and everyone touched by his amazing spirit, so expansive and encompassing, so gentle, determined, indomitable when needed, so loving and kind and funny. My heart is broken, but I will try to be better knowing Dave*

“ Dear David,

This is the letter that I never wrote you, and it's not because I didn't try. You are so important to me that every time that I started to try to express how much meaning, love, and guidance you gave me, I just fell apart. It's too big. It can't be put into words, but now I have to try.

I am the person that I am today because of you. You, with Cheryl, opened up my world. You taught me... everything. There are so many experiences, so many memories. The first time I did yoga, you lead the class. The first time I went on a long hike, or cross country ski or canoe trip, was with you. You took us on countless adventures: music festivals , volunteering at the soup kitchen, NYC, The Berkshire Mountains, and whale watching, to name just a few. You welcomed us misfit teens into your home and your life, because the Town Shop wasn't just a job to you.

I decided to run a teen center because of you. You were my inspiration, but I could never come close to doing what you and Cheryl were able to do for thousands of people in our community.

My biggest regret is that I let too much time pass since I last saw you. I think about you and Cheryl constantly. When I am out skiing, I think about how you would say that you imagined you were sliding across butter. I think about the fun little practical jokes that you would play on us, like hiding in the woods until we passed and then sneaking up behind us. I think about all those wonderful tapes that you made for all of us. I think about how your head would bob up and down, as you listened to music in the van, as we were heading home from our latest outing. And as I think about all of those moments, there was never a moment when you weren't the loving, caring, accepting, kind person that we all know you to be.

On to the next great adventure, David. We all love you more than words could ever say.

“*Dave was the most kind hearted, generous, and caring person I had the pleasure to meet in my life. From the first time I walked into the Town Shop back when I was a young teen he gave me the a feeling of being welcome. He always had great stories to tell you and never ceased to have a smile on his face or a glowing mood. He is the person who gave me my first opportunity to play my music for people and without that who knows if music is something I would still be doing today. “ I first went to the Town Shop my freshman year in 1992 & was blown away by this 3 story haven. It was the get-a-way, a place for homework, food, friends & fun. Open mic nights where I was sure my high school friends would grow up to be rock stars (some did), the art, Daves vinyl - getting new cassettes every week of music I'd ask for & extra gems that Dave would introduce you to. My paper calendar of events hung in my parents fridge, hiking, cross country skiing, views from hanggliders point, volunteering at events, concerts, concerts, my first Dead Show. Still to this day, I've never came across two people who took nothing & gave so much. Dave you are the inspiration of a coummunity, you helped so many of us became the people we are today.

“ I met Dave and Cheryl when I was in high school at West Genesee. They used to let garage bands play upstairs, which i was a part of one. Dave a Cheryl both have dedicated their lives to working with youth and keeping them involved in activities and events, as well as giving countless kids a place to feel safe and at home. The impact they have had over 40 years at the Town Shop is almost immeasurable. Thousands of youth are far better off than they would have been without these two, They were mentors, confidants, counselors, parents to hundreds, and always an open ear to anyone. “ Dave, where do I even begin to express to you the impact you made on my life? You were instrumental in the career path that I chose because you taught me empathy, patience and to help those less fortunate. I met my husband at the Townshop 28 years ago and we are still married today! Thanks so much for being a part of my life and blessing all of those whose paths you've crossed! Sending hugs and kisses to you in heaven!

“ I was shocked to hear this very sad news. David was an amazing man dedicating his entire life to teenagers as a beautiful mentor, supporter and living kind man. Cheryl may you find peace in knowing the love of thousands many of us in our 50's now surround you with much love and care. RIP David.

“ Every time I saw and spoke with Dave he was positive upbeat and had a smile. He always looked at life as a gift. He was kind and thoughtful. Giving and hopeful. Encouraging and sharing. His work will never be forgotten. I'm proud and honored to have known him.

He was an important part of my life since I met him when I was sixteen. I cared a great deal for him, the special and very big person he was. I was out of touch with him for many years due to life circumstances and moving out of state, but it has been an immense pleasure getting to know him again on facebook these last five years. My sympathies go out to Cheryl, Lois, and everyone who knew him much better than I and also for everyone who's life he ever impacted so greatly. I will miss you David.

Cheryl, I am deeply saddened by the loss of Dave. This is a terrible loss for our community and the world as well. The life Dave lived spoke volumes of the person he was and he made a lasting impression on everyone who met him. When I think of Dave the following words come to my mind: humble, kind, selfless, compassionate, even tempered and loving. Cheryl, you and Dave devoted your lives to providing an environment that was a safe place for teens to gather, where they could grow emotionally, and be free to develop talents, all while having a great time. You showed them the beauty of nature and also the importance of serving those less fortunate than themselves. My son would not be the man he is today without you and Dave in his life. I always enjoyed so much, the photos Daryl shared with me after going on a town shop trip or outing. It brought so much joy to his life. Dave was a wonderful man. I don't think I know another human being like him. Cheryl, you are in my thoughts and prayers, and I ask God to hold you in his arms and give you the peace that only he can give.

Dave was a complete revelation to me as a Town Shop teen, and I want to echo the words of everyone here and all of us whose lives he changed, just by being the person he was. Gentle, kind, approachable, funny, unfailingly positive, uplifting, trustworthy, and every, every good thing. I can't imagine anyone who knew Dave even for a little while being able to name another person like him. If after this life we all go on to review the life we lived and see our impact and how far it goes, Dave is probably overwhelmed to see how much his love changed the world. I thank him and Cheryl forever for changing mine.

Cheryl: I'm terribly sorry for your loss - but also for the loss to all of us who knew Dave. His legacy will live on via the tremendously positive influence he imparted to all the children (and adults) who had the great good fortune to have known him. He was genuinely among the most sincere and impressive men I have ever met. My prayers are with him and you.
