“Dad may be gone but he will never be forgotten I wish i had the chance to be there for you in your time of need dad but i know the angels took you home and you are no longer in pain or suffering this is a time when our family will have to pull together and be strong I know you would want me to be strong and I have been I cried once so far but then relized that i need to keep it together right now and then later after awhile I can take time out and grieve an mourn. I will always be your babygurl and your youngest child I love you daddy and I love my brothers and sister thanks for being my dad.
