

## Dena L. Stokel

December 2, 1970 - October 20, 2021

Dena Lynn Stokel, 50, of Syracuse passed away suddenly on October 20, 2021 at St. Joseph's Hospital, Syracuse. Born in Queens, she graduated from Pace University with a degree in Journalism.

She was an assistant district manager/ team captain for market source. She specialized in helping people with their phones and phone accessories while also helping her team with any problems they had. She really loved her job and the people she interacted with.

When she wasn't working, she loved coming home and relaxing. She enjoyed spending time with pups Pal and Buddy with the occasional visit from cats Sailor and Junior. Dena liked watching the Mets and Judge Judy who she said reminded her of herself; someone who doesn't take any crap! She also loved Baby Yoda and reading. Ever since she was a kid her head was in a book. Last but not least, she enjoyed spending time with those she loved. She saw meaning in all conversations and moments spent together. She really loved her family, especially her kids who made her so proud and were everything to her.

She is survived by a son Zachary Riese; two daughters; Ryin Stokel Rhodes and Ja'nea Cuozzo; her siblings and many nieces and nephews. Dena was like family to many people.

Private services were held. Arrangements by B.L. Bush & Sons Funeral Home, Camillus.

“ I was a co-worker of Dena. She had a wonderful spirit that loved life. That she spread to all she met. Wether co-worker or customer her personality shined through. To this day, the loss of her is still felt.
