“ Aunt Dolores was an inspiration to everyone who knew and loved her. She was sweet and kind to everyone she met and gave her family the love and attention that only a mother could give. Her pleasant humor and adorable words of wisdom will be with us forever. We know she will be watching over her family and friends with pride and love always.

“ *I am standing on the sea shore. A Ship sails and spreads her white sails to the morning breeze and starts for the ocean. She is an object of beauty and I stand watching her till at last she fades on the horizon, and someone at my side says, "She is gone." Gone where? Gone from my sight, that is all. The diminished size and total loss of sight is in me, not in her. And just at the moment when someone at my side says, "She is gone," there are others who are watching her coming, and other voices take up a glad shout, "There she comes," and that is dying.*
