“ *Dear Donna, Thanks so much for calling us about your father. Glad that you had a special ceremony for him. We had the highest respect for him. Brought back memories of the times we attended ARC dances years back and how much fun it was. And memories of ALL he and Jeanne did for ARC. Hope your mother is well. Glad to hear Peg and Sandy are now situated as is our Laurie. I pray you all have some comfort soon. Love, Carol and Claude Phares.*

“ I remember the lunch we had with Don on the northern end of Cayuga Lake a few months ago. He enjoyed the food and watching the ice fisherman out on the lake, who were hibernating in their little tent villages. We talked about his time in the military and about how things use to be back here at home, years ago. And we ate all this great food! It was a good day for Don, and how we will always remember him, a kind and gentle man.

“ My deepest sympathies to the family of (Uncle) Don Chatfield, my cousins, and dearest (Aunt) Jeanne. Uncle Don was a kind and giving man providing support to everyone in our extended collective families. On a lighter note, I will miss his bloody mary's which were the best I ever had. May you rest in peace and be with God.

“ To my Dearest Uncle, I will never forget the fond memories our families shared at the gatherings at your home. Most of all, your unselfless love, during my families time of need. You were always there to help. You gave up so much to help your special needs daughter's. You gave unendless time to creating the ARC it is today. For this I will always love you and most of all miss you. Your niece, Patrice
