“ *Our son Adam informed us of Don's passing. When Adam was in the special ed class at West Gennie he worked at the bus garage. That wonderful man was so good to him and even sat him on his lap so Adam could steer the bus around the parking lot. We are so deeply sorry for your loss. Know that Don will be remembered in our lives for his special kindness - the Muratore Family*

“ I send my most sincere sympathies to the family. Don & I were friends in high school in Massena in the middle fifties & he was a "fun" guy. We lost touch after school, but I worked with Bill & he kept me posted on Don. There is no way that I can say; " I know how you feel", as only you know. Remember the good times & enjoy them, as he was your dad, grandpa, brother & husband. May God grant you his enduring love & grace. Everett M. Hampton
