“ My family and I have lived next to Don for twenty years. He was a kind man and a great neighbor. A few years back, we were surprised by a snow storm and Don hadn't gotten his snow blower out of his shed. I shoveled his driveway (not an huge task) and a path to his shed so he would be able to get it the next time he needed it. Well, a few days later, we got more snow. My wife looked out and saw Don all bundled up down by the road, starting to snow blow our 150 yard driveway (we stopped him and said our plow guy was on the way). I'm convinced Don would have tried to do the whole driveway to say thanks for the help he received a few days earlier. This is one of many memories of Don that we will carry with us. Don always remembered my kids at Christmas and always had something for them. Thanks for the history lessons about the area, the memories, and being a fine example to my kids of what a neighbor should be. Rest in peace sir.

I am so sorry that I did not realize he had passed on until today. I would have liked to have gone to his funeral service. For many years he attended Camillus Baptist Church. I remember many stories of Don and Willard Williams going to all the car shows in the area. He was a kind and gentle man and now is with many of his friends again!! Phyllis Fox.
