“ I have just been given the actual newspaper notice of the death of Dorothy Dunk Albert. I am a niece and grandchild of William Dunk of Jack's Reef. Remembering you all in Jordan, N.Y. and Marcellus. I knew of her passing and would like the name of Bob & Jean(Keyes) Ogden to go into the guestbook.

“ Thanks to everyone for your thoughts and prayers. There could never be a more wonderful and loving mother. She touched many people and helped them along their way with laughter and love and selfless giving of herself. She had many talents, wore many hats and was many things to those who loved her. Most of all she was my mom. I miss her terribly.

“ I remember Aunt Dot with a smile. Since I moved to Florida when I was 7 I didn't have a lot of time with her but to me she was a fun Aunt. I remember her making clothes for some of my dolls and especially my Barbie Doll which had just come out. Aunt Dot was always on the go, ready for fun, and loved to tease. She and my dad... her younger brother loved joking and teasing each other. Love to all the family! Nancy Dunk Humes
