“ Pat, as Linda said...we have thought of you and your mom so many times over the years. We are practically neighbors as my daughters have gone to school near your house. Miss seeing you over the years and would like to extend my deepest sympathy in your loss. We know the pain of losing someone so close and understand your grief. May the Lord comfort you and the love of Christ ease some of the pain of your loss. Sally Zuti-Sacco and family

“ Pat, Was sorry to see in this mornings paper that your mom had passed. Don't have to tell you how much I will miss not seeing you in that room. It was a pleasure to know the both of you. Take care, Pat and you certainly should be at peace insofar as how you took care of your lovely mother. Mary Ann Niedzwiecki (Helen's niece)

“ Aunt Pat and Sue: We shall miss our "Grandma Dot" Truly a very special person who touched our hearts. We will forever remember the day Grandam Dot visited and the boys dragged her into the house to come see "our new room" (I had just wallpapered and they were 3). Your mom was absolutely thrilled that they were so excited to show her their room. Keeping you in prayer. Love, The Daloias

“ I am so sorry to hear of your loss. I thought of all of you so many times over the years. I can still hear your Mom saying the ones with 3 peanuts are mine when we'd go to Ground Round and we would give her the peanuts that had 3 in the shell. We do "The Tucker Report" and Tucker picks out a star for special people and pets who have passed on and writes a message. We will send a message to you. Hold on tight to the good memories. Your Mom will live forever in your heart. God Bless. Love, Linda

“ Dear Pat, I am so sorry to hear about your mom. She will be greatly missed at St. Camillus. She gave me a lot of happiness at my job. It was always a pleasure to walk in her room and see her smiling face. She was a dear sweet lady and will be greatly missed. I will also miss seeing you everyday. It was of great pleasure to know you, your mom and your sister. You were both very caring to your mom. Hope you keep in touch. Take care. Sincerely, Nancy Woolridge
