“ I am very sorry to hear about this. I am the grand-daughter of the landlady whose home Dr Schmidt lived in in Lahore, Pakistan while at the Pak Staff Admin College. I was trying to search for Dr Schmidt and came across this sad news on the internet. I was wondering if any of his children would like to talk to me. I am just a loving grand-daughter (you can google me) who would like to write a memoir about my grandmother. I hear that Mary Schmidt taught my grandmother a lot of dishes. Could you please pass my email address on to the Schmidt family? Sorry for their loss and best wishes, Shayma

“ I was so sorry to hear of Dr. Schmidt's death upon my return from vacation. I was his student at SU as well as his teaching assisitant on the Washington Seminar program including his last year. We stayed in touch in the Clayton area for a few years. I remember he took me on a lovely boat ride around the Thousand Islands. I'm so sorry we lost touch. I was very fond of him and thought of him often over the years. My daughter is now at SU and recently did a program in DC through Maxwell which brought back many memories of Dr. Schmidt. He was a great teacher!

“ I first met Dr. Schmidt when I was lucky enough to take his introductory political science class--and that was nearly 50 years ago. Later I served in the local legislature and Dr. Schmidt was kind enough to invite me to participate on several of his radio programs. I just wanted his family to know that there are many of us--by now well scattered--who were greatly impressed by Dr. Schmidt's message and demeanor, and share in your loss.
