“ Pitcher Hill has lost a beautiful smiling jigsaw puzzle person. We got to know Ethel through the past 9 years of delivering her Meals On Wheels. Most of the time leaning over a perplexing puzzle wondering where to put the next piece. Always grateful for the meals we delivered, always excited for what was served. "Oh boy that sounds good" she would say "I am going to get right into it while it is still hot". No matter if she was not feeling good or even in the hospital, she always would say goodbye and God Bless followed with a hug. Goodbye sweet lady, you will be missed.
