“ I just learned of Elaine’s passing today. She was a treasured friend my mom and I happened to discover several years ago in Hamilton. We would meet in Hamilton every year before Christmas and always kept in touch by phone and card sending. We will miss you so much Elaine, we looked forward to seeing you every year, and the times we meet for a visit and lunch. I’m sorry for your daughters- you always spoke so highly of them. You will be missed by my mom and me more than you will ever know. God bless you and your family.

“ Elaine and I met & worked together subbing at CAZ HS for 20 years. Our friendship and likes (and injuries) always seem to coincide. She had a special love that we shared of the holidays. A tremendous teacher, who loved her daughters.

“ I got to know Elaine when the girls were small and we lived on Crescent Ave. The girls would play at my house with my daughter or we were at Elaine's so could play. When they moved the girls still would get together. Elaine was such an upbeat person always had a big hug and a smile that just made you feel so good. I will always remember the Thanksgiving dinner we had together and we always sent cards at the holiday. I will miss her so much.

“ Elaine was always a part of our Lake Family at Tuscarora Lake. Summers I would bike around the lake and always had an opportunity to stop and catch up with Beautiful, Spirited Elaine. She so loved the lake, her wonderful flowers and her cherished dogs. My favorite was her eclectic sense of style and creativity. My sympathies to her family for the loss of Elaine.
