“ Lori & Family,
So sorry to hear of the loss of your mom. She sounds like quite the lady. My hope is her transition was a gentle journey. She has her wings and now flies high amongst the entire Angelic Realm, keeping watch over all of you.

Sending support, prayers, hugs and love, as you all continue on your grief journeys.

(BTW Lori, you look like your momma)

Respectfully,

Byrd

Paul and family, Your Mom and family were so involved with the birth of St. Ann's Church, and the school where we were the second graduating class, all 50 of us. When I saw her picture, I recognized her immediately, my mom used to drag me to Thursday night Bingo, to help in the kitchen, and your Mom was always around the church. Through the Legacy site, I planted a tree for her. Best to you, and your family.

Dear Mark, I would like to thank you for recognizing my mom as one of the founding members of St. Ann's Church & school. Mom lived a long mostly healthy life and 99 years is certainly more than anyone could expect. My family appreciates the planting of the Legacy Tree in Honor of my mother's contribution & support over the years. I trust this message finds you in good health, happy and making the best of our blessed lives. Respectfully, Paul E. Clapper & Family.
