September 20, 2013

Elizabeth M. Seymour, 94 of Camillus passed away Friday at Crouse Hospital. A native of Cobleskill. She retired from NY Telephone. Betty was predeceased by best friend Nancy O'Connor, her brother Robert, her parents, and grandparents, including her beloved Grandfather Davenport. While Betty did not have any surviving family members she was grateful to be considered a member of Nancy O'Connor's family, and will be missed by William Murray, James Murray, Suzanne Cavanaugh, Robert O'Connor and Carolyn Hochstrung and the many children whose company she enjoyed so much. Betty loved a party and her New year's Eve parties will be long remembered by her Camillus friends, Nancy Greene, Shirley Appleton, Harry and Annabel Tucker. Betty's friends are most grateful for the kindness and friendship of Karen North. Karen's care and dedication enabled Betty to be in her own home and enjoy all the matches on the Tennis Channel. Services will be 11 am Monday at the Mausoleum Chapel of St. Joseph's Cemetery in Auburn. Arrangements by B.L. Bush & Sons Funeral Home, Camillus. Please sign the guestbook at www.BLBUSH.com

“ My on letter to Betty Seymour, My name is Mary McCrindle, I am Suzanne McCrindle youngest daughter. Suzanne is the last living sibling of Nancy O 'Connor Betty has always been family to me in my heart. Not one day has gone by that I thought any differently. When I was 5 years old and my partners separated. We moved from Maryland to live with aunt Nancy. Every Friday night I looked forward to Betty and her dog Rusty 's arrival. Both Nancy and Betty gave me the love of watching sports. Baseball , football, basketball, and yes even hockey. Summer days watching baseball in the garage. Winters shoveling that long driveway. Most of all the Christmas Eve party with the whole family. I felt so loved. Thank you so much for being a big part of my life. Betty I love you and you will be missed so much. Always and 4- ever, Mary.

“ Carolyn and I came to think of Betty as the family matriarch, the one who held all the rest of us together. She was probably the kindest person either of us has ever known. We'll miss her.
