“ Elva and I were best buddies at Camillus Cutlery back in the 70's and 80's and she always had a smile and cheerful way about her. She was the receptionist there and I think guys came in just to talk with her. She was a great friend and I'll miss her.

“ To all the Bucks: You have no idea how much I loved and valued Elva! I remember her as a cheerful, smiling, lovely organist/pianist who used to accompany my mother when she sang. (Eleanor Button) I hope to get to the service, but my vehicle is getting a new radiator that day. I know you all will miss her; she was a special gal! My regards to all of you! If you need anything, please contact me or Sister Risha Button. Love....
