“ *We shared many laughs together with Emily, sharing childhood moments up to the day of her beautiful wedding. Our family was blessed and so fortunate to be neighbors...going to soccer games, celebrating birthdays, having sleep overs, meeting at library hours... Emily made our life full - and - our hearts are full of loving her and hers. Fondly, Libby's Family. XoxoX*

“ Dearest David, Vicki and Chris, Andrew, Beth and all of your family - We are so very sorry to learn that we no longer have Emily with us on this earth. Her example of powering through her challenges is a shining light to all of us and her life has definitely impacted many. The blessed reality is that she is now walking the golden streets, chatting with her Savior and is pain free! Anyone who has known her is better for that, and we are praying for all of you as you navigate life without her. May you find great comfort in the arms of our Savior and in the great memories you have of time spent together.
