*So sorry to hear this. My memories of Abe go back to the 60's. My
Mom and Dad were friends of Millie and Bill Nodecker and I was just a
kid. Abe was always fun to be around in those days and I remember
him hunting with my Dad. As the years went by, my husband was a
Teamster member and one time there was a problem and Abe stepped
up and found a solution right away. I always remember his smile and
laughter. My thoughts and prayers to the family.*
