“ *"As all who knew her know, Fanny had a heart of gold. Her warmth not only extended to the family and friends she loved but to a host of animals who without her kindness and help would have lived abandoned and unloved. We hope it is of some comfort to realize how much she meant to so many."...love Kathy, Michael and Chris*

“ To the entire family and friends of Fanny, my heartfelt condolences. When I worked at Kinney Drugs, I had the opportunity to get a preview of gifts that Santa Claus asked her to get for him. She did an incredible job. Occasionally, I would develop her pictures she would bring in. With such a large family, she shared with me the new grandchildren, or weddings, or kitten and cat pictures. She was a wonderful person. I am so sorry for your loss.

Respectfully,

Robin Searles

“ You were a big part of my childhood memories... When I think back I have nothing but smiles when I think of you. I remember when you introduced me to spam and I ate 5 cans in a row. I'm so glad I was able to see you when I passed through town to drive to Illinois. Hurts my heart that I was just thinking about you maybe a week ago Fanny. Heaven has gained a true angel and I hope you're keeping watch over Heather and her little ones (Not so little anymore).

“ Oh where to start. .so many memories. I had the pleasure of growing up next to the O' hara's. Fanny was pretty much my second mother. I'm sure I'm not the only one with great memories. .the perm Fanny attempted to give me after my mother chopped my hair off "the pixie cut" ... the dough fights in the kitchen ...Heather, schawing (inside joke. .lol)...pulling whiskers from Frankie's face, talking about Aunt Gen.... Thad never had shoes on whenever he came to visit, I could go on and on.. never a dull moment around that house. Thomas, Danny, Kelly, Richard and Heather and family. .I am so sorry for your loss. Your mother's sole will live on in memories. She was a great mother, grand mother, great grand mother,sister, friend and the life of the party. RIP.
