Fern later worked as a Public Relations Manager for the NY/NJ Port Authority at JFK Airport where she greeted incoming dignitaries and royalty in a high-security hangar such as Jacqueline Kennedy, Prince Charles and Princess Grace of Monaco. At one time, she supervised 50 "Golden Girls" whose summer college work study was to assist arriving passengers at the JFK International Arrival Building. Mrs. G., as she was called, was always there to lend a hand to the out of state girls who often needed help finding a place to live in NYC.

She was predeceased by her parents and siblings Richard H. Roberts, Betty Roberts Litzenberger, Constance Doris Roberts Moore; as well as her husbands; Joseph Giambatista in 1963 and Norman Butler in 1986.

“ *Zonta International District 2 mourns the loss of our long-time member and friend, Fern Butler. We convey condolences to her beloved family and also to the members of the Zonta Club of Syracuse, where Fern belonged, had many friends, and worked for the empowerment of women and girls since joining Zonta nearly 32 years ago. Fern was an energetic, bright and engaging member who supported her club's activities even when circumstances prevented her from attending meetings in person. That kind of loyalty, dedication and passion are treasured qualities in a Zonta member. She will be missed!*

PS Fern often mentioned her caretaker with deep appreciation - you helped keep her 'on the go,' accomplishing her goals and for this, we thank you!

“ I have known Fern for the past 30+ years through the Zonta Club of Syracuse. Fern helped to organize the Zonta Lunch Bunch at the Corinthian Club for years.

She was a gracious hostess each year in the summer, hosting at her lovely home the Zonta Club of Syracuse Picnic. She hosted many a foreign Zontian from another country at her home.

Fern modeled in every Syracuse Zonta Foundation fashion show fundraiser. She was such a wonderfully warm and caring person, smiling all the time... She will be missed by many! I am proud to have known her and call her my friend. Rest in peace my friend.

“ On behalf of McHarrie Life (Syracuse Home) we would like the family and friends of Fern to know that she was a treasure of this organization; a dear friend to us who will always be remembered..

Fern became involved with Syracuse Home almost upon the relocation from Townsend Street, Syracuse, to Baldwinsville. A long time auxiliary member and active volunteer, Fern likewise served on different Boards over the years.. Always a well-connected lady, Fern was a tremendous public relations advocate, always talking about the organization, and recruiting friends and acquaintances to the cause.

Speaking personally, Fern was my neighbor long ago when my husband and I first moved to Baldwinsville. Always one who enjoyed healthy walks, she would often stop by our house to visit our black Lab, and later our new-born son. I was so delighted when our paths crossed again when I began working at the Home in 1995.

Over the years when she would attend meetings, she would always stop by my office, often with small toys or little trinkets for my children. I share these personal reflections because they are a testament to the person she was: kind, giving, keenly aware of others.

Since the beginning of the Foundation's event, An Afternoon of Theater, at Syracuse Stage, Fern was our one-woman ticket-master! For years she sold dozens of tickets, boosting revenue for the event.

We will miss our Fern.
