“ Dear Mrs. Gottschalk, Nancy, John, and Steven. Nancy called to let me know of her Dad's passing. I send my sympathy to all of you. Mr. Gottschalk led a long and productive life. I can remember clearly the Gottschalk home on Brattle where I spent many over-nights with Nancy and her family. You are all such a lovely family and I know how much you will miss Richard. My thoughts are with you and hope to see you in Skaneateles in the near future (when Nancy and I can get our travel plans organized).

“ Dear John and Mrs. Gottschalk, It is with a very heavy heart that I write to express to you my sorrow in the loss of your father and husband. I'm not sure that Mr. Gottschalk and I ever met; if, however, John is any reflection of his father, he must be one special man. Please know that I care very much; we have been friends since I was a little girl. I'm in the book if you should want a listening ear. With my thoughts and prayers as always,
