“ There are no words to express the loss of Gloria. We have been friends since 1968 when I met here at Crouse-Irving. You have been like a family to me, I want to thank you all for making me feel welcome as part of the family especially since Gloria's illness. I shall always remember your kindness. Your mother was a lucky woman to have a great family, also Patty making me welcome at your home when you had so much to do, I will never forget the fun, dinners, presents and friendship of you all. Just remember Gloria is in a better place, finally free of sickness and now at peace. I still want to pick up the phone to tell her her favorite people are on TV. I feel fortunate to have met her and her famiy whom I have known so many years. TO: David, Donna, Daniel, Patty, Dan and Jarred and the rest of the relatives too many to list! Love, Jackie
