“ I was so sorry to hear that Aunt Greta passed. Jess send me an email to inform me. I don't have any addresses or I would send cards. So I pray that this is sufficient. We have many many memories of time spent there at the farm and I still remember when she took us all to swimming lessons. Our sympathy to all of you for a mother's loss is truly mourned. “ Hi, Denise. I was so sorry to read of your Mom's death. I remember when we'd run into each other @ Fairmount Wegs "way back when" when you'd be shopping for her. It sounds like she lived a long full life, but that won't make you miss her any less -- especially if she was a "spitfire" like you! I hope you are well (as am I). Consider yourself hugged, girl. Sincerely, Pam Price
