“ *John, your dad was instrumental in my quitting smoking. With my family history, it may have contributed to my still being here. I can remember just stopping in to his store to purchase cigarettes. He'd say "No! I'm not going to sell them to you! They're bad for you. Well eventually he'd break down, but not until he would use the same line on me everytime... "There's 20 more nails in your coffin." After quitting, I'd stop in just to talk to him, I enjoyed his stories he'd have from all the people who would come into the store, and there were plenty. John, you certainly had your dads love and support, seeing that he allowed you to take over the family garage, have a loud race car, and have us crazy friends all over, hangin' out. If there was anything that was evident, it was his pride in you. I was just reading the Skaneateles Press paper, and saw his late obituary, although you did contact me earlier. I thought I'd lay a couple of lines. John, call us sometime? Gary, Geoff & Carm Guancia 575-2857 689-7196*

“ To the entire family of Guy, my family and I send out our deepest sympathy and love. Some of the fondest memories growing up in Amboy is filled with daily walks to the "corner store". Everyone growing up there has been blessed and touched lovingly knowing this man. God bless you all and take some peace in knowing how thankful we are to have known him.
