“ Dear Family, It was sad to read of Harriett's passing. I taught 4th grade at Stonehedge for 3 years and she was right across the hall from my room. I was just a beginning teacher and she was always there to answer my questions, give advice or just listen to my day. She always had a smile, a twinkle in her eye, and a love for teaching. It was a pleasure working with her. My sympathy and prayers are with you.

“ I am sorry for your loss I have looked and looked to find an address for Harriett and now am too late. Bob Gilchriest is gone now too. I am the daughter of Edith Mary Gilchriest Boal who is no longer with us. I was shocked that Bob Gilchriest was gone, too. It was a shock that these two people have died almost together. Just saw Bob last fall. We tried and tried to find Harriett over the years but to no avail.

“ Dear Bernie, Roger, Greg and Happy, How sad it was to read of Harriett's passing. She was such a wonderful, sweet and caring person. There was always a smile to greet us whenever we passed her in the hallways of Stonehedge and on many occasions homebaked cookies in the teachers' room. My thoughts and prayers are with you at this sad time. I know that memories of happier times will help to comfort all of you at this time and help to once again give you a happy heart. It was a pleasure to have known and to have worked with your Mom. With sincerest sympathy, Ferne Dibbern

“ *I am sorry to hear of your loss. Mrs. Weinheimer was my 4th Grade teacher at Stonehedge. She was a wonderful teacher and so friendly & pleasant. I will remember her always. Her husband also took pictures of my sister's wedding. She will be greatly missed and I am sure your family is all so proud of the wonderful person she was and what a wonderful impact she had on so many lives.*
