“ I just learned of Heidi's untimely passing and I wanted to express my deepest sympathy to her family and friends. Although I only had the pleasure of speaking to Heidi a few times since high school, the fun times we spent together have always been some of the fondest memories I have of my childhood. Heidi always had such a fun-loving spirit and contagious smile, which I'm sure will live on forever in her children. Heidi, I have no doubt you're among the angels now, rest in peace!!

“ I still can't believe this has happened. When I heard of Heidi's diagnosis I thought for sure she would come through it, and now she has gone to God. God Bless her family especially her lovely children. I did not know Heidi's children personally but with all the frequent talks about them during breaks I felt as if I did. I lost my father when I was eight years old and know that it is a extreme pain for her children that no one can compare it too. Rest assured that your mom will always be looking over you from heaven, and one day when it is time everyone will meet her again.

“ I read about the passing of Hiedi. I did not have the privilege of personally knowing her but she is a fellow Loretto employee. I just want to pay my condolences to the family. May the Lord comfort you and give you the strength you need right now. May God touch those children in a special way and help comfort them as well. God Bless.

“ Heidi~ I'm still in shock. I feel like i just saw you yesterday smiling and laughing. You have touched so many people with your kind words and great big heart. So many more than you can imagine. Leaving this earth having made such an impact on so many others is a testament to the kind of person you really were. I know that is what your children will remember about you. Peace be with you and your family.

“ I was shocked and saddened to read Hiedi's obituary. I graduated in '89 from West Genesee High School and even though I hadn't kept in touch with Hiedi, I have fond memories of our time at Onondaga Road, walking to her grandmother's house to play and I'll always remember how much she loved Duran Duran. She was such a caring, friendly and funny person and I will always remmeber her smile because she was always smiling. I pray she is at peace.

“ *Hiedi was one of the nicest and sweetest people I have had the pleasure of knowing. I know all the residents from Loretto who knew Hiedi will miss her as much as her co-workers will. I know in my heart that GOD took one of His angels back home to be with Him so that she does not suffer anymore. To Hiedi's family: God bless you all and know that our thoughts and prayers are with you now and always.*

“ *Dear Marie, I was shocked and saddened to read of your dear daughter's passing. I know it's been umpteen years (39), but I know she was precious to you when you brought her into this world and it looks like you raised a first class citizen, not unlike yourself. I'm so sorry she had to leave you so soon. May your grandson keep you in touch with her. Even after all these years, my thoughts and prayers are with you, girl --- ahh for the good ol' -- carefree -- days @ Witherills! Sincerely, Pam Price*
