“ God looked around his Garden and found an empty place. He then looked down upon his earth and saw your loving face. He put his arms around you and lifted you to rest. His Garden must be beautiful, he always takes the best. As the days come and go and the world moves on, I know you're still here, you'll never be gone. On the night the Angel came and took your hand, We cried as you left for an unknown land. But Heaven rejoiced as you came into sight, For your soul was a diamond, shining so bright!

“ *Howey was a special kind of person. He was honest and you always knew where you stood with him. He a very interesting person to be around. Not always happy and fun, but I can never say he was a boring person. What I will miss the most is the arguments we would have, and he always greeted me with a smile the next day. He would even ask for my opinion on things even though he knew he would not always like the answer he would get. He loved his family with everything he had. He will be greatly missed by all. To Mel and the kids I will always be there for you anytime you need me! Love you all!!!*
