“ It is many years ago that I last saw Ivy She was always so gracious, friendly and welcoming to me. So much so that I believe she influenced me to more that way also. I will fondly remember her the rest of my days and extend my sincere condolences to all her loved ones.

Heaven is in for a treat. I'll always remember, and be grateful for, Ivy's straight talk (with British accent, of course!) and fierce support for us theatre folk. With cigarette in hand and nothing but wittiness, she was a joy to be with. RIP - Karin Franklin-King
