“ My condolences to you Linda and your entire family. Jack and I go way back to grade school and there just are too many great, funny...and emotional stories that made us friends. But most of all we shared our time together within a mile of each other in the Mekong Delta never knowing it until we came home. From there our bond was cemented by our time in the Navy and in Vietnam. Jack was a true patriot, a great friend and most of all....a wonderful family man who loved his wife, his children and his grandchildren. RIP my friend and say hello to all our friends that you are now with...

I always looked up to my older cousin Jack. I still have the belt buckle he brought me back from the Philippines in 1966. He also bought me my first baseball glove.

Rest in peace
