“ *I'm sorry I wasn't able to attend. Junebug you were such a sweet and loving human being. My favorite moment with you was when we shoved everyone in my 2-Door Blazer to go to Lava. Security made you dump the beer cans out - and while you were dumping them you were chugging one at the same time. xD There's sooo many more great memories with you! Gone way too soon. <3*

“ Sorry for you and your family’s loss. My heart goes out to everyone. Glad I had the chance to grow up with Jake and share lots of great memories! We would go hiking, paintballing, biking, bridge jumping and just driving around endlessly listening to the latest bass thumping music on his bass hammering systems through the years. Always look down upon us for your guidance and protection brother!

“ *Jeremiah.Ingersoll. 1st off truly sorry for your loss Benny! And family. News was a shocker. Seeing his picture brought back many memories of all of us hanging out together from dirt bike riding to boxing in your back yard and even bridge jumping. Even the time he caught the gas can on fire getting the fire going down by the canal. I Can't even count the amount of times all of us came to your shop when it used to be by the mall and get our rides hooked up with the loudest sound systems we could afford! Or the countless base competitions and car shows. Glad to have the memories and to have known Jake growing up in the village! He will be missed.*
