“ I have been trying to get a hold of Susan Burger whom had a son Jamie. I use to work with her she lived on Primrose Path in Syracuse; I am actually wondering if this is the same James Burger. I know the age would be about right. I am saddened to be reading this..... My heart breaks..... I have thought of both of them for years.. Moved to Florida and always tried to find Sue.. I know a little late, but sending my prayers... Rest in Peace..
