“*Mary, Jimmy, Tracie and Marni - I am so sorry that I am just now learning of Jim's passing. I wish that I could have been there for the services to remember Jim and help your family, as all of you are such a part of my fondest childhood memories.*

I will always remember playing football (although girls weren't supposed to play) in the backyard when it was wet and muddy. And going to Camillus for different events with your family....which when we were kids seemed like a very big trip from Marcellus. And traveling very early in the cold mornings to hockey matches.

Jim was how I grew to love and play many sports -- starting with t-ball I think and then he kept a watchful eye on me during my teens when my folks were away. I think of Jim and your family every time we watch football and always tell my husband how we had a running debate over Bills, Broncos, Steelers or Cowboys.

My condolences. Aimee (Secaur) Kool

“ Mary and family My thoughts are with you and your family as I learned this weekend of Jim's death. I met Jim when he first transferred in to West Genesee for 7th grade. He was a great friend and an adventure to be with. He leaves the best legacy anyone can hope for, a loving family who will miss him every day. I know I will.

“*Mary and family... It was always easy to see that Jim's number one priority in life was to be there for each of you, the family he loved and adored. I'm sure he is watching over you now, and will always be close by,cheering you on every step of the way. And, as so many have pointed out, Jim was a REALLY, REALLY wonderful man. If the big guy upstairs, grants favors for good behavior, you KNOW Jim will use any favors he has coming, to send extra blessings to you:) Mary, you met, and had the good sense to choose Jim, when we were just teenagers. It seems like Jim has always been a part of the family. My first recollection of meeting him was at your house. During summers, your house was SO chaotic and SO fun. While Aunt Mary was busy at work, you and Kathy were in charge, Pat provided comic relief and culinary delights, while Mike and Carl were busy being adorable,high energy little boys. When Jim came along, he fit in so easily. I remember him as being a calming influence (which, as we know, is typically in very short supply in any Dooley household). Back then,my view of Jim was that he was a warm, pleasant, fun guy who seemed to quietly look out for others. Now, reading and hearing heartfelt tributes from your mom, sister and brothers, I understand more fully what an intensely thoughtful, loving guy he was, and how he REALLY WAS a true and very important member of your family, probably from the first day he set foot on your mother's doorstep. My love, thoughts, prayers are with all of you. Diane*

“ Jim was amazing in so many ways and will always be in my heart and in my prayers. From the day he entered our families life he was special - a brother, a mentor, a friend, a male role model we needed to fill the shoes of an father that had abandoned his children. He was a protector of our family, then and throughout the years. Jim has been the same guardian to his loving wife Mary, three great kids and his grandchildren. As our family patriarch he cared for, loved and watched out for my mother - always taking time to help and show her the same love he had shown his own mother. I have been blessed with a great family including amazing brothers and sisters, brother in-laws and sister in-laws, aunts, uncles, cousins and more and Jim made us all better and made our world better!

“ *Jim was my oldest and best friend. We grew up together on Barclay Road in Camillus and Jim was my "big brother" as far as I am concerned. The years that I grew up with Jim - Junior High, High School at West Genesee were the best years of my life and I count myself as very lucky that he and I had so much time together. After I left Camillus and was living in Maine and then the Boston area, I would see Jim and Mary every year during the holidays and during Fair Week. My son Jim - was named after Jim. We had a wonderful time at the 50th High School reunion last year and I was able to spend some time with Jim early this month and right before he passed. I will be at the Calling Hours, the service at St. Josephs (were I was honored to be the best man at Jim and Mary's wedding) and at the cemetery. I want very much to visit with anyone that attends and to share wonderful moments that I had with Jim. Thank you Bob*

“ Mary and Family, I was so sorry to hear of Jim's passing. I still can picture Jim as we grew up a street away from each other in Camillus. What a wonderful marriage and beautiful family he was proud to have. He will be watching over you from above now and be in your hearts forever. With love, Anne Kasper Morgan

“ *First and foremost my prayers and condolences go out to Mary, Tracie, Marni and Jimmy.. May God's love surround you at this time of need and always .. I met Big Jim in 1982 when my Dad and I moved into Camillus, NY with my then stepmother Sherrie Griffin-Hallinan ! She and Mary were close friends as my Dad Calvin and Jim became as well.. Big Jim was always a gentle soul and a man of power to me .. He loved his children and his wife more than life itself and I will never forget his smile or his voice... :) A Southern Boy always as was my Dad who was born in South Carolina. I remember one day as a kid showing up at breakfast at The Fuller House and Jim had just cooked up Hog Brains ! :) I am deeply saddened by his loss :(I will always remember Jim as a kind and wonderful soul that crossed my path as a child and years later I saw him and Mary in Fayetteville NY at Kirby's Restaurant .. Jim knowing you was one of the greatest times in my life and I know that you and Dad are hanging out in the Southern part of Heaven smiling ear to ear and talking old times :) With much love I will close this .. RIP Big Jim ! Heath A Davis (James Calvin Davis' son)*

“ When I saw that Mr. Fuller had past away...it really took my breath away. He and his wife Mary were so supportive of me and all of Jimmy (Jr's) friends while growing up. The memories of childhood birthday party's, sleep overs...the pool and good times as kids have always been linked to the Fuller's for me. You guys made my childhood fun and special. Mary, my thoughts are with you. I really appreciate all that you and your husband did for me. Just simply being nice and wonderful people. Having positive and kind comments along the way. To Jimmy, Tracie & Marni...what a great Dad! Your Father always was a Man's Man and I know that he loved you all so much. I can't imagine what he must have been like around his grandchildren. What little legacies he has left. I wish you all of the best. He was a great Man and I know a wonderful Husband and Father. RIP Mr. Fuller! Thanks for all of the support over the years! Thinking of you all, Jeremy Murphy

This makes me smile Jeremy, your family has always held a special place in all of our hearts. He was a wonderful man, but as the saying goes, it takes one to know one. Your family too has been so wonderful to us over the years. Thank you for taking the time to share your memories with us.

Kate, I'm smiling thinking of dad giving us the deep voiced, "Go to sleep." He had us all scared to death when we were kids, if only we knew then... he was just a big teddy bear! Let's get together next time you are home. Love you.
