“ Natalie, Steve, Priscilla, and Melanie,

*I have fond memories of your Mom and of Ferncliff Ave in general. Your Mom and Dad brought me to Camillus Pool with your family more than once. I remember a certain Easter Sunday in March when I was at your house, and we were disappointed because the weather was cold and there was a lot of snow on the ground. Your Mom tried to cheer us up by playing the piano, and she got us dancing in the living room with "76 Trombones." I think I was 9 or 10, which also would have been your age, Steve. I also remember being in your kitchen when one of you was practicing the piano, and your Mom would call out, "F sharp," (or whatever the correct note was) if there was a mistake. I remember your Mom's mother, Grandma Clark, and how you weren't always pleased a lot when she visited because she was strict. We enjoyed those days on Ferncliff Ave.*

*I would like to attend the service on Sunday, but I don't know if I will make it as my health isn't that good. At the age of 42, I discovered I had cystic fibrosis (and was born with it). It didn't cause many problems when I was young, but it does now.*

*Hope to see you, but if I don't, please email me or find me on Facebook as Judy Moreland. I would love to be in contact with any/all of you. We spent a lot of time together once upon a time.*

“*Jane was one of my mom's dearest friends and one of the nicest people I have ever met. The trips they took together were some of Mom's fondest memories. I know they are having quite the reunion in heaven. Rest in Peace, "Aunt Jane".*

*My condolences,

*So sorry to hear of Jane's passing and our deepest condolences to the Baker family. Jane was more like family to us than our neighbor. Over the years, she watched our kids John & Kelly grow up and we really enjoyed spending time with her. We also attended the same church and enjoyed sitting with her.*

*She will be greatly missed. Our prayers and thoughts are with the family during this difficult time.*

*So sorry to hear of Jane's passing. So many fond memories of her - knocking on my mom's back door with a plate of cookies for us, getting in the back of her beetle as kids and going to the beach, hearing her playing the piano, I will miss "Mrs Baker" but will always cherish the memories of her. Prayers and thoughts are with the family*
