“ *To the Bamerick Family,
I worked with Jane at Stonehedge and she love you all so much. Family was so important to her, so know that she is thinking of each and every one of you. Jane always had a smile on her face and that could brighten your day. She so warm and friendly that you could see her passion for teaching reading in her eyes. She loved to talk about literacy and children. I will always remember her fun loving spirit and we both enjoyed meeting in the summer at our Stonehedge Luncheon and getting caught up with each other. Please accept my sincere condolences because I know she will be missed. But I also know that she will be with you forever as she influenced you all in some way. She certainly did me. I love the picture you picked because that was Jane. Smiling ,happy, enjoying life, and I am sure she is smiling down on all of us from Heaven. She is happy to be back with Bob whom she loved so dearly. You definately had a wonderful Mom and Grandma. Hold onto all those beautiful memories and it will help you through these difficult times.*

“ *To the Bamerick Family,
My condolences on the loss of your amazing mother. My parents, John and Margaret Brody, thought the world of both of your parents. My parents shared many things about your folks with us. It is hard to see your mother and so many of that generation leave us. She was from a day and age where a lady was truly a lady and the same with gentlemen. May you always have good me noise and pass them on to the future generations. Peace, prayers and love to you all.*

I'm so sorry to hear about your mom. I have wonderful, warm memories of her. She was such a kind and happy woman. I believe I have memories of your mom cooling off some delicious baked goods in the kitchen window. They always smelled wonderful. You and your families are all in my thoughts and prayers.*
