“ I am so sorry to hear about Aunt Jane, she was a wonderful lady and I know you all will miss her dearly. I am so glad I got to visit her a few years ago when I was in NY at my sister Vicis house. We had such a nice visit and she was such a positive person. I loved hearing all the stories she had to tell from the past, with mom and dad, and things of the present. I will always remember her making fried donuts when we were kids and the adults would all be playing cards. I didn't get to see her often but always thought of her, and I will miss just knowing that she was there and a part of my life. I love you Aunt Jane, Susie
