“ Spoofy and family,
So sorry to hear of your Mom's passing. She was a great friend and comfort to my mother over the years, as well as someone to commiserate with about you boys. She always had kind words of encouragement to offer and was always good for a chuckle. May her memory be a blessing to all who knew her.

“ Charles and Marybeth, I am so sorry to hear of your mom's passing. I remember her as the cool mom, who always let us kids come over to hang out, or take the boat out, and even have an impromptu party at the lake. May she rest in peace with Curtis, your dad, and everyone else she loved and had gone before her. <3
