“ Jill was the first neighbor to welcome us into our new home. She was always up for a chat on her front porch. Will always remember her for her quick smile and love of animals. Thinking of your family at this time,

“ Jill was a dear friend who always had a funny story to tell and a warm heart willing to help anytime. She will be missed greatly but now has new work as an Angel. Thinking of you Michael, Susan and Stephen during this difficult time.

“ We were neighbors of Mike and Jill for many years. They were just wonderful people. Mike so helpful and Jill ALWAYS in an up mood no matter what her health issues were! They both did alot for my parents during all of their lifetimes. I just can't say enough about their sense of humors thru the years! Memphis is slowly losing all of the people that made up the village as we knew it growing up. It is a shame, but I accept that things change with time and we all get older. Her children, Mike, Susie and Mike are all equally great kids! They both did a great job with all of you while they were here! We will now miss Jill along with Mike. but know they are now together. Take care, family.
