“ I am so sorry to hear of Mom's passing. My heartfelt condolences to you all. I am still trying to grasp the fact that she is gone; as I am sure you are as well. She was one special lady, who gave from her heart. I have always thought of her fondly and even though our life encounters were short-lived, she has always held a special place in my heart, and will continue to do so forever. May you all find comfort in the thought that she is the loving arms of our Lord. Hugs to you all... RIP MOM
