Please sign guestbook at [www.BLBU SH.com](http://www.BLBU SH.com) The Marine's Prayer Almighty Father, whose command is over all and whose love never fails, make me aware of Thy presence and obedient to Thy will. Keep me true to my best self, guarding me against dishonesty in purpose and deed and helping me to live so that I can face my fellow Marines, my loved ones, and Thee without shame or fear. Protect my family. Give me the will to do the work of a Marine and to accept my share of responsibilities with vigor and enthusiasm. Grant me the courage to be proficient in my daily performance. Keep me loyal and faithful to my superiors and to the duties my Country and the Marine Corps have entrusted to me. Help me to wear my uniform with dignity, and let it remind me daily of the traditions which I must

uphold. If I am inclined to doubt, steady my faith; if I am tempted, make me strong to resist; if I should miss the mark, give me courage to try again. Guide me with the light of truth and grant me wisdom by which I may understand the answer to my prayer.

“ Dear Peg and family, I am finding it very difficult to express the way I feel. For the few short years I was blessed to know Jack I realised from day one, he was a special man. God broke the mold with Jack. I will miss you dearly and will never forget the night you saved my life. Not a small thing. Peg, seeing the bond you shared with Jack has help renew my faith. Thank you for that. God speed Jack and bless your family. Your new friend, Sue

“ May John Jack Bedoar RIP, "...Everything he has made pretty in its time. Even time indefinite he has put in their heart... I have come to know that there is nothing better for them than to rejoice and to do good during one's life; and also that every man should eat and indeed drink and see good for all his hard work. It is the gift of God."Ecclesiastes 3:10-13" The hour is coming in which all those in the memorial tombs will hear his voice and come out, ... to a resurrection of life." John 5:28,29

“ Peg and Family, My thoughts and prayers are with all of you at this very sad time. Jack and I formed such a wonderful friendship over the past few years in our quest to find his genealogy roots. I know this gave him great pleasure and I'm so happy that I could be a part of it. Since we are both 'morning' people, I will miss his 4-5 AM calls dearly. Jack will always be in my heart with his smile, his wonderful stories and his friendship.
