“ 'Hey Punk"; I'm gonna miss hearing that. You swept me off my feet, then continued to dazzel me with your foot work. I just couldn't resist that smile. Thank you for all the laughs and the hours of dancing in your arms. You're dancing with Patti again, but I'm glad we were partners for a while. Love you Donna

“ *Johnny B....the world is a better place because of you and my life is richer because you were a part of it. Thank you for all your love and the amazing memories I will forever cherish. It's been a long time coming, but now you and Patti have uninterrupted time with each other. So grab that gal and romance her around the dance floor...Red Sails In The Sunset is playing and she's waiting for you. I love you both.*
