“ Please accept my sincere condolences. I haven't seen John in MANY years but have very fond memories of many days we spent together in Cub Scouts (his mom was our den leader for several years and we met at his house for arts and crafts projects - still have Santa sleigh we made) and playing in the fields behind his house and his grandparent's house just down the road. We spent many an hour together riding the bus to and from school and just being friends. All of you are in my prayers and thoughts because 61 is just too young. Know that if it was at all possible I would be there but know that I am there in spirit and prayer.

“ Marsha, Kim and Micki, My thoughts and prayers go out to you and the rest of the family for the passing of your much loved husband and father. John was always special to me as we shared his love of photography and just hanging out at family funtions. We always found each other good company. Our trips to ACC those nights were great as we accomplished our degrees together along with Mary Lou. John was always more than just a brother-in-law to me. He was my friend. He will be missed. May he rest in peace.

“ God saw you getting tired and a cure was not to be. So he put his arms around you and whispered, "Come to me". John and I shared many laughs in what we affectionally called, *THE BAT CAVE*. His eye for beauty that he so proudly displayed in his pictures were breathtaking. My sincere condolences to the Foster family.
