“ I happened to pick up the Syracuse newspaper on Sunday night and was saddened to read of John's death. I went to law school with John and he was a great class mate, always willing to help. When we started law school I was 8 months pregnant - John was so polite to assist me. When I missed time from school for the birth of my son he volunatrily was there to keep me up on what I missed in class. John always talked so proudly of his family. My deepest sympathy during your time of loss of such a good man. Anne M. Zielenski-McGahey, SU College of Law Class of 2000.

“ Carey, I am so sorry. Words cannot express how sorry I am. I could not imagine losing a parent. Even though I have never met your father I know that he was an incredible man for having raised you to be so kind and loving. If you ever need to talk to someone, I am always here for you. “ Dear Aunt Marilyn & Family: I can't tell you how surprized and saddened we were to hear about "Jack" as I will always remember him as. To be taken while still so young is something very hard to understand, but there must have been some special reason that God wanted him to come home. I truly wish we could be there to give you comfort in person, but that too is not meant to be. Please know that we are thinking of you and sending our heartfelt sympathy. May God give you all comfort and peace in the days ahead. Love, Linda & Fred Melanson
