“ *Fond memories of Patrick from his days in Syracuse. He was an skilled pitch player at our weekly pitch games and was frequently offered a witty comment to cut his competitors off at the knees, his gentle smile so unassuming. Condolences to his family, friends and former colleagues.*

“ Our deepest sympathy goes out to the McBride family. I've only known Patrick since he started with Rockler. I spoke to him on the phone often, and he was always upbeat and funny. He will be missed by all of us. Vince Fricke and the Rockler team - Pittsburgh.

“ I've only know Patrick for around 6 months. I was always in rockler shopping and it got to the point he knew my name. One day he asked me I wanted to work there and so middle of October I started working on weekends and i can say I love it and he was a wonderful manager who will be missed very much. I'll always miss the teasing we had with each other
