

John Noonan

March 5, 2007

John F. "Jack" Noonan 72, of Camillus died Monday surrounded by his family. Born in Binghamton he served in the US Coast Guard. Surviving are his four daughters Carol (Paul) Darby of Clay, Valerie Kotlarz of Camillus, Mary "Becki" (Joel) McNally of Syracuse and Jean (Marty) Judge of Syracuse; six grandchildren; two great-grandchildren; and one spoiled and faithful companion, Sir Winston of Camillus. “ Very sorry to here about Jack's passing. I met Jack while bowling in
the Friday Night Mixed league that was renamed in his honor. He
was a great man and I enjoyed talking with him. Some of the
bowling advice he gave me I will never forget. He use to win a new
ball every week. "Fingers my boy,fingers" is what he used to tell me.
I will always remember Jack.

“ Sometimes you meet people in passing that you always look forward to seeing, whether it was to say hello or strike up a conversation. Jack ALWAYS made a point to say hello to me. Over the year's just talking to him at the bowling alley was good enough for me. Certain legends pass away with fanfare, some don't. Jack will forever be missed as a friend of the bowling community, but more importantly, as a friend of mine. He always called me "young man". I'll miss that. Here's hoping you carry all the corner pins now. To Becki and the entire family, I am deeply sorry for your loss.

“ *Becki, Carol, Jean, and Family: I am so sorry for your loss. Your dad (and mom) was one-in-a-million. Such a warm and loving guy, always had a smile and never was one to say no to someone in need. Your dad always made me laugh, especially when I'd stop down on Friday nights. My thoughts and prayers are with you and I'm here if you need anything. Mike*

“ Dear Family, your Dad will be very much missed by all of us! Some of my favorite memories of him include his years driving go-karts on friday nights at the racetrack (that was a blast!). All of the family gatherings over the years were a treat, in that we saw the humor and love among your Dad and his siblings / spouses. I also remember all of the Binghamton Press bowling tournaments he participated in, with my brother Bob, which was doubly nice since your Mom came down with him and we all had a lot of laughs at those (not due to their bowling :-). Bottom line, please know that we'll carry your Dad (and your Mom) in our hearts forever. We love you, and we'll see you either Thursday or Friday. Kathy

“ To the many fond "younger" memories of Jack (and Pat), I would have to include: the vacation time at Lake Ontario, his 60 Chevy burning rubber on Lincoln Ave., penny poker games with their siblings, our Boston trip to race go-karts, babysitting their terrific children, and especially their kindness and patience shown to me as a young nephew. Cindy's and my thoughts and prayers are with you girls and your families.

“ Dear Becki, Maripat and family: I met Jack when I moved to Syracuse from Jamestown 3 yrs ago. From that moment on I nicknamed him "POPS"!!!! and he called said, 'Hey, good lookin!' He always insisted a hug from me when I would see him which was always in a bowling center somewhere or on a way to a tourny! I called him POPS because his smile and love for bowling reminded me of my dad who passed away 31 yrs ago. I also got to know Pat, which I called "MOM" whenever we saw each other! I am truly grateful to have met them both and my prayers for them and all of you have been continuing over the last year daily. See you Thursday or Friday, God Bless POPS, MOM and all of you....Mare
