“ John remember when we made our First Communion together in the Sisters Convent at Cathedral? We had many good years together from grades One through Twelve at Cathedral School. John, you were one of the most kind and gentle persons I have ever met in my life. I know your wonderful wife, family and friends will forever miss you but they can be assured that you earned your rightful place in the Lord's company along with your parents, son and sister. You fought the good fight John, now rest in peace!

“ Growing up in Marcellus, I had the opportunity to visit the Scanlon home on NW Town Line. I always felt welcome when visiting. In fact, we used to joke that I was a distant cousin. Perhaps I visited too much? “Moose” Scanlon was a very close friend of mine and I remember one such occasion where one of my old cars (‘71 white Nova) had an intermittent electrical problem. I took it to several mechanics but no one could resolve the issue. Moose “volunteered” his father to take a look at it. It was a cold mid-winter day and John Sr., electrical testers in hand, ventured out to look at the problem. In about an hour, he found and corrected the issue and I was on my way! I will always have fond memories of the Scanlon family – may God bless the Scanlon family.. “Blessed are those who mourn, for they will be comforted” (Matthew 5:4). Kevin & Mary Kimberly
