“ Fred, Dave & all the Shove family, Deepest sympathy for your loss...I hope your fond memories of your father will overshadow the past 3 years of illness. My most vivid memory of him was him calling "here Gump....." up and down the sidewalk in Caz looking for your dog years ago. My thoughts and prayers are with you. Love, Judy (Huftalen) Wolfe

“ Dear Fred, I am very sorry to hear about yor father's passing. My dad and mom came out to visit me in Palm Springs in April and asked about you, your family, and specifically your father. They reminiced about the great time they had at yours and Linda's wedding. They enjoyed your father's company and conversation. Obviously, through our college hockey years at Oswego our dads became friends. My dad (83) will grieve as well when he hears of your father's passing. One of my fondest memories I have of your father was when he and other Oswego fans arrived at Hamilton College for an Oswego hockey game and announced with great excitement: Oswego we are here! Mrs. Shove your husband was a good man and a good father. With my deepest sympathies, Kim Wescott
